ESCAPE OF LETTERS

OFFICIAL GAME COVER

In Three Weeks: Move over Indiana Jones, to make room for **SONIC THE HEDGEHOG** as he stars in "Temple Raider!" Sonic begins a quest to find one of Nite-Morgan's rings, a ring of immense power. However, Sonic must make it through a hidden temple with an assortment of booby traps and obstacles. Not only must Sonic face the threat of the temple's obstacles, but in addition, he is faced with the force of a small squad of Babylon troops hiding within its deep crevasses. Will Sonic make it out of the temple with the ring, or will the temple become Sonic's permanent home? By Karl Bollers, Steven Barber and Pam Eklund. Also Laga and The Wolf Pack back-up story (Part One of Three) begins! By Ken Penders and Sam Maguire. **SONIC THE HEDGEHOG #67** on sale November 1998!

And Next Month: The Eschtes know that you all have been waiting for! "The Many Facets of the

Truth" begins with Knuckles in Haven and ends with the most stunning revelation yet. However, what happens in-between

Haven and the revelation is more exciting. Knuckles engages in a life-or-death struggle with a formidable Guardian, makes split-second heroic moves, and we find out more unexpected developments between Lora-Le and Lache. All **SONIC THE HEDGEHOG** fans should take note that this issue leads into December's exciting **SONIC THE HEDGEHOG #68**. Written by Ken Penders. Art by Money Galon and Andrew Popoy. **KNUCKLES THE ECHIDNA #21** on sale December 1998!
